WORK EXPERIENCE

Organizer / Booker / Showrunner / Instagram Blue House

10/2021 - Present

Boulder, CO

Blue House is a DIY music venue run out of a house. We host shows 2-4 times a month with local bands and touring acts. It also serves as a safe space for marginalized people in Boulder.

Responsibilities

- Booking Musicians
- Keeping the instagram active and up to date with not only our shows but local shows all around
- Organizing bands and making sure their mix is good
- Organizing Volunteers and making sure the tasks of the volunteers are taken care of

Freelance Artist Myself

08/2018 - Present

I work in freelance as a photographer, designer and videographer.

Past Work

- Designed an art book called IMAGINE
- Have worked with numerous individuals and organizations to photograph anything from events to portraits
- Have made music videos for two different artists

ORGANIZATIONS

Denver & Boulder DIY Music Scenes (08/2019 - Present)

I am a very active member of the local music scene in Colorado. I go to as many shows as I can, and have made connections throughout the community for years. I also work as a photographer to document the scene.

PERSONAL PROJECTS

Bands (08/2021 - Present)

- I am a member of 3 different bands: MESHES, my solo indie / shoegaze project, FLAIL, my hardcore band that I sing for, and SQERM, an egg punk project I am still in the works of.

Photography (08/2019 - Present)

- I work as a photographer, creating images of all kinds. Recently, my work has been focused on concert photography.
